

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

ROTH,

Plaintiff(s),

V.

BASF, et al.,

Defendant(s).

NO. C07-106MJP

MINUTE ORDER

13 The following minute order is made by the direction of the court, the Honorable Marsha J.
14
Pechman:

The Court is in receipt of a letter from defense counsel Donald Carlson requesting that trial in the above-entitled matter “be scheduled for the June calendar in such a way” that Mr. Carlson can appear in another civil matter in Idaho with conflicting court dates. Dkt. No. 86.

All counsel were present at the hearing where the trial date was set and all counsel agreed to that date. Shifting the trial date in this matter would simply create scheduling conflicts for some other counsel. The Court feels that this federal litigation has priority over a pending state matter, particularly one with which a conflict did not apparently arise until after the federal trial date was set.

The trial date in this case will remain as set.
